DCI SECURITY COMMITTEE  
MONTHLY ACTIVITIES REPORT  
JANUARY 1979

1. A catalogue of unauthorized disclosures of intelligence information reported during 1978 was prepared for use in responding to a request to the DCI from the House Permanent Select Committee on Intelligence. The catalogue lists 25 disclosures. (FOUO)

2. The Committee staff continued to provide security support to [ ] Special Assistant to the DCI, on revision of compartmentation programs. Staff members were named by [ ] to chair two working groups. One of them was tasked to draft control system manuals for government and industry. This would cover system descriptions, access standards and approvals, physical and technical security, and classification and document control. The other was tasked to develop proposed personnel security standards for access to non-compartmented intelligence information, and to estimate the cost of implementing such standards. (FOUO)

STAT

5. [REDACTED] Special Agent, FBI, reported for a two-year tour with the Community Security Group as Chief, Facilities Security Branch. This is part of the continuing program to broaden Community participation in the work of the Committee, and to make maximum use of skills and expertise available to Community agencies. (FOUO)

STAT

7. The Committee's Security Awareness Working Group published a comprehensive bibliography of Community materials and programs useful for security briefings and for increasing individual awareness of security problems. This group completed initial work on a proposed Community standard for security awareness programs. (FOUO)
